

SUMMER ENRICHMENT JOURNEY: 2026-27

LEARN ✦ EXPLORE ✦ CREATE

STD - 1

Dear Parents/Guardians,

The Summer Enrichment Journey is designed to make summer holidays joyful, creative, and meaningful through the theme "Biodiversity in Nature". Through fun and activity-based tasks, students will explore nature and real-life experiences while developing creativity, imagination, confidence, and writing skills. This project will help children utilize their vacation time in a productive and enjoyable way. We kindly request your support in guiding your child to complete the activities with enthusiasm and creativity in the Project File.

Topic 1:

If I Were a Honeybee

Draw a honeybee and write five sentences about a honeybee including its appearance, food and habitat.

Topic 2:

शीर्षक : कौन रहता कहाँ?

पाँच पशुओं व पाँच पक्षियों के चित्र तथा उनके रहने के स्थान (घर) के चित्र चिपकाइए। उनके घरों के नाम सुंदर लेख में लिखिए।
उदा० - शेर - गुफा में

Topic 3:

Make any animal, bird, insect, or fish (sample shared below) using different geometrical shapes like: ▲ Triangle □ Square ○ Circle ◻ Rectangle

Students may use: Colour papers, Origami sheets, Cut-outs, Crayons and sketch pens.

1. Count the shapes used and complete the table.

Shape	Number
Circle	
Triangle	
Rectangle	
Square	

Topic 4:

My Favourite Bird

Draw and colour your favourite bird and decorate it with feathers, leaves, or coloured paper. Write 3 simple sentences about its name, colour and food.
