

SUMMER ENRICHMENT JOURNEY: 2026-27

LEARN ✧ EXPLORE ✧ CREATE

STD - 5

Dear Parents/Guardians,

The Summer Enrichment Journey is designed to make summer holidays joyful, creative, and meaningful through the theme "Biodiversity in Nature". Through fun and activity-based tasks, students will explore nature and real-life experiences while developing creativity, imagination, confidence, and writing skills. This project will help children utilize their vacation time in a productive and enjoyable way. We kindly request your support in guiding your child to complete the activities with enthusiasm and creativity in the Project File.

Topic 1:

A Letter from a Tree

Draw a tree showing insects, birds and animals living on it. Imagine you are a tree writing a letter to humans. Describe the birds, insects, and animals living on you and request people to protect and care for trees.

Topic 2:

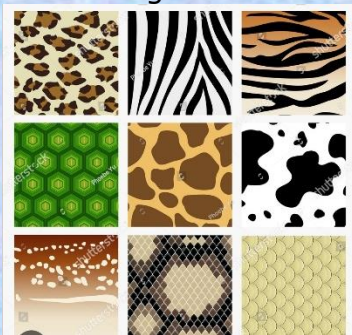

शीर्षक - जब प्रकृति रोती है...

जैविक विविधता में असंतुलन को चित्रात्मक व कलात्मक रूप में दर्शाते हुए दस (10) पंक्तियों में अपने विचार प्रकट कीजिए।

Topic 3:

Draw and colour animal skin pattern as shown below and answer the following questions:

1. If one pattern sheet costs ₹2500:
 - What is the cost of 4 sheets?
 - How much money is needed to buy all 9 sheets?
2. The patterns are arranged in a **3 × 3 grid**.
 - How many patterns are there in total?
 - If 2 more rows are added with 3 patterns in each row then, how many patterns will be there altogether?

Topic 4:

Biodiversity Mini Project

Prepare a collage on "Importance of Birds, Animals and Insects in Nature".

Include drawings/sketches/paintings of at least 3 birds, 3 animals, and 3 insects and decorate it using leaf printing, origami, feathers, flowers etc.

Write their role in nature- pollination, seed dispersal and maintaining balance in nature.

Write a slogan on protecting biodiversity

Suggested Slogan:

"Save Biodiversity, Save Our Future!"
